

Chinook Golf Course Junior lessons 2017

The 2017 Chinook junior lessons will continue the day camp format started in 2011.

This means instead of coming 3 weeks in a row for 1 hour each week, we will give the instructions all in one day. We feel that this format will allow the instructors to instill the basics of the golf swing to the kids and allow them to have a fun filled day instead of one quick hour. This will also remove any parent concerns about their child having to miss one lesson.

The most important thing with the kids is to instill the basics of the swing and show them how much fun golf is. We feel that we can accomplish this in one day.

The kids will be in groups of no more than 12 with 2 instructors for each group.

NEW FOR 2017: All kids taking part in a lesson camp will be able to book 1 on 1 private lessons during the season at no charge.
