My name is Wayne Cormier and I am announcing my candidacy for City Council. I bring with me 25 years of government administration experience and am honoured to be the Executive Director of the Swift Current and District Early Childhood Intervention Program. I am a registered Social Worker and Mental Health Therapist.

I am a proud resident of Swift Current, along with my wife Patricia Cormier (nee Regier) and children; Trista and Preston. I am excited to serve our citizens by growing our community responsibly.

I will advocate for a zero percent tax increase in the next 2 years. I would like to see the growth and development of our Southside as well as bringing more local business into the area and larger complexes in partnership with federal or grant funding.

I look forward to a campaign based on growth with fiscal responsibility.
