Ken Linsley and I am running for councilor in the City of Swift Current.

I have resided in SW Saskatchewan since 2004 moving to Swift Current with my family in 2013. I am Married to Delee for 25 years and have 2 grown children.

I am an active community member and bring years of experience to this council. I am currently the Chairman of the board for the Swift Current and District Chamber of Commerce and I served 2 terms as a councilor in Gull Lake. I am the Manager of Training and Development for Nutrien Ag Solutions retail for Canada.

Some things I would like to investigate as a councilor are wait times and access to health care, the large inventory of empty residential lots, old school sites, debt and new commercial subdivision.

I am a believer that we need to be responsible and transparent spenders of taxpayer dollars.
