Profile Statement - Sept 25, 2020

I was born and raised in Swift Current, and between schooling and work, have lived here the majority of my life. I, along with my wife Amanda and daughters Delta and Kensington know in Swift Current, we are home. This is where we want to be. Because I believe we can thrive here. Which is what my platform is all about. Through sustainable growth, and a focus on necessities rather than luxuries, believe everyone, no matter who, has an opportunity to THRIVE in the community they live in. I believe we've done great work so far, but also think there is more to be accomplished. You can contact me for more information at 306-772-0385. I welcome the opportunity to continue working to make Swift Current home for everyone that comes here.
