Email: katieneufeld@sasktel.net

Kathy has been a resident of Swift Current since 2011 and previously a resident of the RM of Swift Current since 2001 and loves being a part of community. She has been employed with Stark & Marsh CPA since 2005. Kathy has decided to offer up her extensive experience in accounting and as a CPHR (Chartered Professional in Human Resources) and CLC (Certified Leadership Coach).

She wants to ensure that everyone has a voice to be heard so that together we can work to become fiscally responsible by balancing the community's revenues and expenditures while addressing needs.

Swift Current is noted for the beautiful parks and walkways and we want to maintain them as well as being responsible for residential property.

Kathy is an avid supporter and sees the need for Urban and Rural communities and believes in building and maintaining a strong working relationship for a better tomorrow.
