

Denis Perrault, CPA, CA, C. Dir.

is proud to be running for the position of Mayor for the **GREAT** City of Swift Current.

He and his wife of 18 years, Leah (Flynn) Perrault began their married life in Swift Current where he articulated for Stark and Marsh and MNP. Denis has taught business courses at the GPC, ran businesses and has volunteered for many local boards and charities. Denis and Leah are also the proud parents of Luc.

Over the past 4 years as Mayor, Denis has worked hard to bring business to the SW, to build and foster partnerships and to #GrowSwift. If Denis' 10-plus years serving as a City Councillor and Mayor has taught him anything, it's that the future is bright for Swift Current and its citizens.

He has been a true cheerleader for the community and is honored for the opportunity to continue to serve.
