

Randy Beler

Trustee on the Chinook School Division 211, Subdivision 8

Hi. I'm Randy Beler and I'm running for Trustee on the Chinook School Division 211, Subdivision 8. I have a Water Resources Engineering Technician Certificate from SIAST and a Certificate in Administration from the University of Regina.

My experience includes being a trustee on Division 94 and the Chinook Board during its first ten years, three as vice-chair and seven as chair.

During my term the Chinook Board implemented the Balanced Literacy Initiative and the Math Momentum Program. They also received the Premiers Board of Education Award for Innovation and Excellence.

The Chinook Board completed construction of Ecole Centennial School, the first new public city school in 40 years. Fairview and Maverick received major renovations.

I have a passion for education and will work as a team member with Chinook Trustees, Administration and staff, continuing in the direction of improving student learning outcomes while maintaining a balanced budget.
