

Ted Wallin

- Worked for SaskTel for 31 years in various capacities and constant change.
- Raised 4 children with my wife Denise of 40 years; being involved with activities such as organizing and coaching soccer teams as well with the Scouts of Canada organization in leadership roles.
- Held position as Finance chairperson of Christ The Redeemer Parish from 2002 to the present.
- Retired from SaskTel in 2007, taking on several project managing and financial positions: construction of Phase 1 & 2 of Christ The Redeemer church and with the SaskTel Infinet project in the city of Swift Current.
- Participated on South West Crisis non-profit and City of Swift Current community boards.
- We are blessed with 5 grandchildren, three of whom attend schools belonging to the Holy Trinity School Division. As a school trustee, I would like to focus my attention on strengthening the important relationship between family, school and parish.
