

A MESSAGE FROM MAYOR BRIDAL

This season holds the promise of so many things to do in Swift Current!

Already itching to hit the fairway? We've included the Chinook Golf Course rates in this edition of City News. Now is the time to grab a season pass and experience for yourself why our beautiful golf course has been breaking records year after year!

Parents, don't let the kids miss the annual Bike Safety Event on May 13th to review important bicycle precautions before they start cruising the pathways and streets.

And speaking of streets, our roadways crews will begin the yearly residential street sweeping as soon as overnight lows are consistently above zero and we wake up to frost-free mornings. Keep an eye on our updates so you'll know when to park off-street and help us get a clean sweep done quickly.

Looking a bit further ahead, registration for our highly anticipated summer programs will open on June 2nd and Fairview Pool is set to open June 14th. Lots of bright and exciting days are on the way!

Warm Regards,

Mayor Al Bridal

WATCH FOR CITY NEWS EACH MONTH IN YOUR UTILITY BILL!
